

This is a detailed topographic map of a region in the Pyrénées-Orientales department of France. The map shows the area around St-Peyre and the Vallée de la Soun. Key features include:

- Geographical Features:** The map shows the Vallée de la Soun, the Vallée de la Rouban, and the Vallée de la Soun. The area is characterized by rolling hills and valleys.
- Settlements:** Numerous small settlements are labeled, including St-Peyre, Bagatelle, and the Vallée de la Soun.
- Infrastructure:** A network of roads is shown, with a thick black line highlighting a specific route. A railway line is also visible.
- Topography:** Contour lines are used to represent the elevation of the terrain. The map includes labels for various peaks and valleys.
- Annotations:** A circle is drawn around a small area near St-Peyre, and a rectangle is drawn around a small area near Bagatelle. These likely indicate specific points of interest or locations mentioned in the text.
